

# PUS Series

## POTENZA Submersible Pump

### APPLICATION

Pumping of clean non-loaded fluids, pressurizing system, drinking and glycol water, water treatment, heating and air conditioning, washing system

Overheat  
Protection

Full Copper  
Motor

Heavy  
Duty

Double Seal  
Design

### » TECHNICAL DATA

Model	Power		Discharge Bore (mm)		Q=capacity						
Single Phase 240V /50HZ	kW	HP		m3/hr	2.0	4.0	6.0	8.0	10.0	12	15.5
				L/min	33	67	100	133	167	200	258
